

Biffs' Damage Waiver Notice

Each year there is costly damage, destruction and loss of portable restrooms. Even when every effort is made to ensure the safety of the units, accidents happen. **Equipment damage beyond minor repair is the responsibility of our customer.** Your insurance may cover rental equipment; however, the deductible may well exceed the cost of the unit.

Paying for damage waiver releases you from liability for damage or loss on the restroom you rent. **If you wish to take advantage of Biffs' damage waiver it is not necessary to return the lower part of this form. You will be billed according to our damage waiver below:**

Damage Waiver by item	Replacement Cost	Rate per 28-day billing cycle
Regular restroom	\$650.00	\$10.00
Hook restroom	\$900.00	\$20.00
ADA Compliant restroom	\$2,000.00	\$20.00
Fresh Flush	\$1,500.00	\$20.00
Mobile restroom	\$1,100.00	\$20.00

However, if you choose to accept full responsibility for all accidental damage or destruction of equipment, you must complete the form below and return it to us. As soon as we receive your completed refusal form, your damage waiver coverage and charges will be canceled. Thank you for your cooperation!
